2018 - 2023

Information technology expert qualification

EPITECH - Master degree

A curriculum comprising almost 80 projects, enabling you to acquire very solid skills in all areas of IT. A degree course specialising in software development.

08/2021 - 02/2022

Graduate Student Program

Beijing Jiaotong University

As part of my fourth year of studies at EPITECH, I had the opportunity to study for a semester at Beijing Jiaotong University. This was an opportunity for me to develop a number of advanced IT skills in a new and enriching environment.
